Case Weight (Gross)	13.8 lbs
Case Weight (Net)	13 lbs
Case Cube	.56
TI x HI	13 x 6 = 78cs/Pallet

Kleenhanz® serves as an effective, waterless solution to hand washing. **Kleenhanz®** consists of a fresh scented, pre-moistened, disposable towelette that wipes out germs. Liquid products without towelettes for friction, such as gels and foams, do not effectively remove dirt and germs from your hands.

Some of the many benefits of using **Kleenhanz®** include;

- Antimicrobial, 100% alcohol free and hypoallergenic
- Lightly moistened and fresh scented
- 99.99% effective at eliminating many common harmful germs and bacteria
- Non-flammable, water-based solution
- Does not leave hands feeling dry and cracked
- Longer protection than alcohol-based products
- **Handwashing On-the-Go®**

Capacity: Contains 250 perforated, center-pull towelettes measuring 5.5" wide and 7.5" long. (13.97cm x 19.05cm)

Operation: Towelettes are dispensed through the **KLEENHANZ®** Dispenser (Model KH1001D) at bottom by pulling the exposed portion of the towelette down and outward. To open and load, follow instructions printed on the unit label. Standard sheet length is 7.5" long. (19.05cm)

Installation: Squeeze package sides to remove flattening. Open dispenser cover to lock position. Remove bottom tab from package and pull first towelette through dispenser bottom opening to load into dispenser. Close dispenser cover.

Overall dimensions: 5.5" L x 2.5" W x 7.5" H (13.97cm x 6.35cm x 19.05cm)
